To ensure a seamless experience at the upcoming Kennedy Center event on September 21, we must emphasize the necessity of completing all changes or cancellations by 12:00 pm on Monday, September 11, excluding medical emergencies. This requirement stems from our need to purchase tickets in advance, and it's important to note that your ticket is confirmed when you select your seat. While we sincerely hope such circumstances won't arise, it's crucial to understand that cancellations after this deadline, unless due to medical emergencies, will unfortunately result in charges, as the tickets will have already been secured. Should you have any questions, please don't hesitate to contact Jordan, Director of Activities, at 202-660-7881 or yasrat1@jhmi.edu.
