

September 22, 2023

Dear Residents and Families;

I wanted to let you know that we are having emergent staffing challenges in our kitchen. We continue to have open full-time cook positions and unfortunately have a staff member emergency in the kitchen. We will have to adjust some of our meals to buffet style services and limit offerings while we work to overcome this staffing crunch.

**Here is the upcoming schedule of dining service meals**

Friday / Saturday evening – Buffet service

Sunday breakfast – Continental breakfast

Sunday lunch – Regular lunch menu, no Sunday brunch

Sunday dinner – Regular menu

Monday breakfast – Continental breakfast

Monday lunch – Pizza from a local Italian restaurant

We appreciate your patience and understanding while we work to recruit, hire and train additional team members. Please reach out to Andrew Conlin, Executive Chef, or myself with any questions.

Sincerely,

*Laurie Henley*
