Resident Forum

**Last Thursday of the month
2:00pm In the Commons**

Thursday, April 24, 2025

You're invited to join us and share your voice! Connect with all the department managers and express your thoughts, suggestions, and concerns about every aspect of your living experience. Whether it's your care level, activities, dining, wellbeing, housekeeping, facilities, or the operation of the building, we value your input. Together, let's make our community even better.

See you on the last Thursday of the month!
